- ✓ Involved in logging and tracking the defect in **Git-hub** tool.
- ✓ Participating in meetings like **scrum meeting, sprint retrospective meeting, end of the day meeting and Bug triage meeting**
- ✓ Experience in performing **API** testing.
- ✓ Experience on **http Request** and **http Response.**
- ✓ Experience on **CRUD operations.**
- ✓ Hands on experience **Postman tool.**
- ✓ Good experience on **API authentication & authorization.**
- ✓ Good at **HTTP Methods and Status Codes.**
- ✓ Hands on Experience on writing queries in **Oracle 10g** software.
- ✓ Experience on **Subqueries**, **Joins**, **Functions** to verify with **data base**.

TOOLS AND TECHNOLOGIES

- ✓ **Git-Hub**: Tracking defects, defect reports, writing test cases.
- ✓ **Postman:** CRUD Operations on API testing
- ✓ **Eclipse:** Selenium and Rest Assured
- ✓ **Figma:** Designing

PROJECTS

PROJECT: 01

Title : Taxi Booking Platform Project

Domain : Transportation Domain

Duration : 16months

Process : Agile Methodology

Project Description

The Towner Taxi Booking Platform provides a seamless urban transport solution through its mobile app. Users can easily book taxis or autos, track rides in real-time, and make secure payments. The platform prioritizes safety with driver verification and rating systems. Drivers keep full payments from

customers, and those managing multiple drivers can grow into travel agency operations. The app supports daily rentals, outstation trips, scheduled rides, and hail requests, offering a versatile solution across devices and systems.

Roles and Responsibilities

- Involved in **Functional** testing, **Integration** testing, **System** Testing and **Regression** testing.
- Preparing and documenting the **test scenarios**, **test cases** and **test data.**
- **Logging the defect** and **tracking the defect** using **Git-Hub defect tracking tool**.
- Hands on experience in **Test Case Design Techniques**.
- Coordinating with **Test Lead** and **Development Team** for **Bug Fixing**.
- Involved in Analyzing **Test Results** and **Reporting**.
- Participating in **Agile** meetings.
- Experience in performing **CRUD** operations in **Postman** Tool.
- Experience in performing **Rest-API** testing.
- Good experience on **API authentication & authorization.**
- Good at **HTTP Methods and Status Codes.**
- Worked **on SQL queries**, **subqueries, co-related subqueries**, **Joins** and **functions**.

EDUCATIONAL CREDENTIALS

Completed **Malla Reddy Institute of Technology and Science** Hyderabad, Telangana, India.

DECLARATION

I hereby declare that all the above information is true to the best of my knowledge and belief.

Signature

Place: **Bangalore**
